CALL FOR

OFFICER DAVIS' &
Understanding

"State of Utah"

vs

Joseph William Baker

Case Number Not yet disclosed.

I am presently held in the Beaver County Jail some 20 hours now without having been given any paper work concerning the charges against me, I would like each of you to please respond at a minimum with returning a time stamped copy so I can have these as proof of service/evidence for my case.

Tell me if I were to turn PLASHING Lights on my CAR AND Blow a siren, kidnap you, steal your car and put it into the care of a sub contractor "safe keeping" at a daily rate against your will, Accost you with harsh words pull strongly on your arm that you would fear it would Break ... would you then consider ~~the~~ these acts Criminal? How about Extorting you for money in exchange for your freedom?

i (Writ)

1 Have you heard that governments were established to
2 secure life liberty and the pursuit of happiness -
3 Judge please take judicial notice that the purpose of
4 government is to secure rights of the individual.

6 So this all begs the question About jurisdiction what
7 would give me the right to do something like all this
8 to you? So ~~the~~ I'll ask each of you now this question:
9 Is it your position that just because a person is within
10 the physical boundaries of this County that its laws and
11 Constitution (state or federal) apply? Officer Davis answered
12 affirmatively, officer Gary _____ said he didn't want
13 to argue - nor did I. Its common for people to get
14 defensive when asked for the facts that underly such a
15 fundamental presumption as territorial jurisdiction.
16 Many refer to codes or ~~law~~ legislatively enacted lawbooks ~~to~~
17 but that is circular logic and doesn't count.
18 you cant say the law is the reason the law applies.
19 As far as I can see society has been psychologically
20 conditioned to believe in authoritarian social structures
21 through indoctrination in schools, media religious institutions,
22 etc and they all reinforce the Law and government as
23 this essential if not ~~an~~ essential Foundational
24 component of society. Dont feel inadequate if you cannot
25 name any facts that support an officers claim that
26 the laws apply to this person or that person because
27 even a Supreme Court justice of Arizona was unable
28 to give one fact to support such a claim.
